

## *United Friends Group Homes*

### News In Short

Dear Friends and Family,

We are in a prolonged season of “Thanksgiving” and celebration. UFGH residents and staff have much to be grateful for. While our situation hasn’t returned to “normal”, life proceeds at UFGH without the fear, anxiety, and many of the barriers of the past two years.

#### **THE NEW NORMAL HAS BEGUN!**

Residents are starting to get out in the community-to shop, have a coffee, and visit friends and family. Even though we wanted to resume our pre-pandemic “Holiday Tea,” there was still too much uncertainty and precautions about covid to gather together in person. However, the houses did celebrate Halloween and Thanksgiving. And, they are beginning to “deck the halls.”

#### **“DECKING NEW HALLS”**

Crown Hill group home has even more reason to celebrate and “deck the halls.” They have a brand new kitchen, laundry room, and flooring throughout the house for the holidays. Beverly Park has also had an upgrade to their living room and kitchen flooring, while Lincoln Park just received a brand new in-wall double oven. These upgrades are just some examples of where your generous donations help enrich the lives of our residents. As our facilities age, we anticipate more need for remodeling and repair of our homes and furnishings.

#### **PLEASE GIVE**

As you consider your holiday giving, we would be honored if you would include United Friends Group Homes on your gift list. Your donation will help ensure that our residents continue to live life fully. Enclosed is a donation card and envelope. Suggestions for non-monetary donations follow.

Best Regards,

Rick Massey
